

October 2011 Spirit Quest Books Newsletter

Twelve years have gone by very quickly for Spirit Quest Books – since we opened in 1999.

**Join us for cake on Saturday, October 29<sup>th</sup>!**

We're having an ANNIVERSARY SALE – mention that you are on our email list and receive an **additional 5% off** of your purchase until the end of the first week of November.

The anniversary sale means – a minimum of 10% off everything in the store – and 40% off selected jewellery, up to 30% off on selected giftware, and up to 30% off on books and crystals!

The crystal and book sales are a great opportunity to stock up – 10% off of the first item, 20% off the second and 30% off on each following item! The more you buy, the more you save.

Why the sale? It's only two months til Christmas – sooner than we expect – so this is a great chance to purchase some great deals in this uncertain financial time. Also we need to make room in the store for new stock..... So we are making room.

Interested in meditation? Attend an Introductory session at 5:00PM November 10<sup>th</sup> (Thursday). Check [www.traininginpower.com](http://www.traininginpower.com) for more information.

We hope to see you soon!
