Margaret Ann Lembo holds qualifications of Angel Therapy Practitioner® and Angel Messenger Practitioner® Program Messenger Practitioner®, AMP®. I

We all have intuitive gifts. Our ability to know, hear, see or sense the truth using our intuition is as real as our ability to use our physical senses. Often these gifts go undeveloped as most of us weren't trained in school or growing up to listen to and trust our own inner guidance. In this program, you will learn and practice different tools for receiving guidance from angels, guides, ascended masters and loved ones on the Other Side. Through knowledge, practice and development of self-trust, everyone will be giving messages using Divine Guidance throughout the program, using Clairaudience, Clairvoyance, Clairsentience and Clair cognizance as well as potentially Clair-Smelliness and Clair-Tastiness.

- Learn about the angelic realm including information about Guardian Angels, Archangels, Ascended Masters, Spirit Guides, Animal Totems, Elementals, Fairies and Deceased Loved Ones.
- Discover your natural intuitive communication style and how to combine clairvoyance, clairaudience, clairsentience and clair-cognizance, clair-smelliness (clair-augustine,) and clair-tastiness in your AMP counselling sessions to gain deeper insight and understanding of your angels' messages.
- Learn how to give accurate and healing angel readings, primarily using Doreen Virtue's Oracle cards. Use these divination tools to help you connect and communicate with your guides and angels and the guides and angels of the person who has come to you for information, clarity, confirmation and assistance. Understand and integrate ethical and confidentiality issues in spiritual counselling.

- Learn how to read Crystals and Gemstones using The Gemstone Oracle technique, developed by Margaret Ann Lembo, ATP®, AMP®
- Discuss the practical and spiritual considerations involved in becoming an Angel Messenger Practitioner in facilitating spiritual counselling sessions.
- Learn how to prepare yourself and your cards for conducting an Angel Messenger spiritual counselling session including how to clear you and your space after a session.
- Practice automatic writing, psychometry and mediumship with the angels for receiving messages and information.
- Learn techniques as to how to advertise yourself and build your practice.

The program includes meditations to develop your skills and to develop your ability to connect with your guides and angels. It also includes the Guided Meditation CDs by Margaret Ann Lembo, Meet Your Master Guide and ***Color Meditation: Align Your Chakras***. You will need to own at least one of Doreen Virtue's Angel Oracle Divination Decks for use in this program.
